## Educational background

| | | |
|---|---|---|
| 2022 - 2024 | **Self-learning development** - *I am learning cause i initiate myself, away from the setting of formal education, curriculums or examinations. Independent learning for me is about being self-motivated, disciplined and dedicated to improving yourself and your skill set.* | |
| 2022 - 2023 | **CyberBionic Systematics** - *Frontend Developer (React). One of Ukraine's top-ranking schools for developers.* | |
| 2020 - 2022 | **Nationaal University of Life and Environmental Sciences NUBiP** - *One of the finest Ukrainian institutions. Unfortunately, I found my calling late and had to drop out. Because of the was in Ukraine, I was unable to cross the border to study at the National University of Vienna.* | |

## Work Experience

| | | |
|---|---|---|
| Oct 2022 - Nowadays | **FullStack developer** — I develop my own projects, while simultaneously improving my skills in development and computer science. | |
| Fab 2023 - Nowadays | **QA & WebDeveloper** — Website building platform "UMI" | |
| Mar 2022 - Feb 2023 | **Support** — Website building platform "UMI" | |
| Sep 2021 - Feb 2022 | **Restaurant activity** — Waiter/Barman - Restaurant "SHEF" Kyiv | |
| May 2021 - Aug 2021 | **Advertising activity** — AquaPark "AquaLand" | |
